WHAT IS A DIVINE ENCOUNTER?

When life seems to get stuck and you can't get going.... When your life seems to be falling apart and relationships are suffering... You may need a **DIVINE ENCOUNTER RETREAT**.

A Divine Encounter Retreat provides a place, a time, and an opportunity for you to experience an encounter with God that is intimate and that will strengthen your relationship with Him.

WHY SHOULD YOU ATTEND A DIVINE ENCOUNTER RETREAT?

A Divine Encounter Retreat will provide you with the opportunity to "draw closer" to God and with some spiritual tools that will assist you in your spiritual journey.

A Divine Encounter Retreat will communicate the Father Heart of God to you by: Presenting His purpose for your life, His promise for your development, and His power for fulfilling His purpose.

WHAT HAPPENS AT THIS RETREAT?

A series of teaching on the Heart of God are presented to assist you in experiencing a more intimate relationship with the Lord Jesus Christ through the power of His Holy Spirit.

These teachings are focused on God and His design for your life. A time of reflection is provided so that each person can interact with the Lord on an individual basis... experiencing God on the personal level.

The focus of the Divine Encounter Retreat is on your relationship with God through His Holy Spirit. At the end of the retreat there will be prayer for those seeking the "Baptism of The Holy Spirit."

WHAT ARE THE BENEFITS OF ATTENDING?

Everyone who attends a Divine Encounter Retreat will have a clearer understanding of God's love and plan for their life. You will learn how life transformation can be a part of your daily walk of faith. You will experience:

- A hunger for God and His Word.
- A desire for God's plan for your life.
- A divine power that will flow through you.
- A freedom that comes from walking in His Spirit.
- A more intimate relationship with God.

WHAT COMES AFTER THE DIVINE ENCOUNTER RETREAT?

A follow-up class will be provided to those who attend. This class will encourage you to continue to grow and use the tools that were presented during the retreat.

This class will also provide you with a practical foundation on God the Father, God the Son, and God the Holy Spirit.
